**THERE IS NO MALE OR FEMALE IN
CHRIST JESUS (Gal. 3:28).**

**Accordingly, all textual references to
MALE and FEMALE point to spiritual
principles, and the words MAN and
MEN, as well as the pronouns, HE, HIS

SHE and HER.**

**CHRIST JESUS is the only spiritual male.
Accordingly, all powers and principalities
other than Christ Jesus are identified as
female IN RELATION TO HIM.**

**The powers and principalities which have
incarnated this fallen world (2 Cor. 4:4)
are male IN RELATION TO FALLEN
MANKIND, and female IN RELATION
TO CHRIST JESUS.**

John 7:17-18

17 If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.

18 He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him. (KJV)

Adam & The Two Judgments

Origins

Primordial Substance

Jehovah *imagined* a creature that would reflect His nature, and Elohim, Jehovah's right arm, folded Jehovah's Spirit, the breath of His own life, over and over upon Himself, until He was vibrating in a plurality of frequencies.

Spirit is never destroyed, but changes form in relation to the speed of its vibration. The slower the vibration, the more solid the creature.

Jehovah and Elohim are Spirit. Spirit is personalized energy.

Adam, Elohim's Living, Civilized Man

Elohim's light particles streamed through the dust of the earth and Adam, the living, civilized man which is Jehovah's reflection, appeared on the surface of the abyss. But the Earth absorbed some of Elohim's light particles also, and formed Leviathan, Elohim's dark shadow, in the muddy ocean bed of the primordial sea (Gen. 1:9-10).

Mortal Man Is Not Elohim's Creation

Adam was made to live forever, but died in spiritual utero before he was fully formed. Mortal man, humanity, as we appear today, is

Righteous Adam's spiritually dead descendant.

Mortal man's physical body dies and decomposes into physical dust. The personality [soul] dies also, and dissolves into spiritual clay. Our mortal elements cease to exist, but the human spirit [Elohim's breath of life] returns to the Fathers until he appears again in the last day (Dan. 12:13).

Jerm. 18:4 tells us that the human spirit reappears in a different personality and body, saying, *And the vessel that he made of clay was marred in the hand of the potter: so he made it again another vessel*

.....

This spiritual principle was expressed through Elijah, and his spirit [the Spirit of Elijah] appeared with a different personality [soul], in a different physical body - - that of the man, Jesus (Matt. 11:14).

Now, I know that you all think that Elijah's spirit was in John the Baptist, but the truth is that he was in Jesus (see, tape # 396, Jesus & John -- Elijah and Elisha?).

Adam, A Two-Sided Man

In the beginning, the spiritual man, Adam, had two sides which were morally related to Jehovah, and to each other, in a righteous arrangement which imputed life and prosperity to the whole creature. Adam was alive because his relationship with Jehovah imputed [temporary] righteousness to the *good*, moral relationship between his two sides, but he was continuously threatened with deterioration into an impure moral arrangement, which would separate him from Jehovah and produce a dead, wild animal.

Wherefore, Adam, who is destined to mature into an incorruptible, civilized man with a spiritual side which mediates between his earthen self and Jehovah, fell short of imparted [permanent] moral perfection (Gen. 1:31). Adam will attain to imparted [permanent] righteousness, only when he dominates his evil side and marries Jehovah. (See, Imparted Vs. Imputed Righteousness.)

Adam's light body has two sides: Elohim's male seed mixed with the surface dust [ashes] of the earth, and the female ground [clay], which awakened to consciousness when the earth absorbed Elohim's

waters [Gen. 1:6-8]. Elohim assigned spiritual strength to both the male seed and the female clay, but He gave functional, dominant leadership to the male seed, and functional passive weakness to the clay Woman.

The Primordial Serpent did not seduce a physical woman who was separate from Adam, our original ancestor. *Adam* and *the Woman* are *spiritual principles*. The Primordial Serpent, the male aspect of Adam's female side, seduced *the Woman*, her own *good* potential, and became the dominant aspect of Adam's female side.

Adam's Female Side, A Two-Sided Woman

(The Tree Of The Knowledge Of Good & Evil)

The Good Woman

So, we see that Adam has two sides, male and female, but that his female side is also subdivided into male and female. Adam's male side is Elohim's righteous seed, but his female side, which is formed from the ground, is both good [the Woman] and evil, [the pseudo-male Serpent].

The man, Adam, and the Woman are not *male* and *female* as we understand the terms today, nor is *Eve*, the name of the Woman. Both the Hebrew and Greek words translated *Eve*, mean *life*, but somewhere along the line they were changed into proper nouns [names].

The Woman is called *mother* of the whole living creature (Gen. 3:20), because she is the spiritual womb that holds *Jehovah's life* [or Jehovah's offspring, or Jehovah's Son]. The Woman is the mother, the womb, that holds *The Life*, but she is not *The Life*. *Adam is The Life, the Son of the Living God* (Lk 3:38).¹

The Evil Serpent

Now, as the story goes, Jehovah warned Adam [the righteous mind of the whole living creature] about the Woman's evil side, and instructed him to guard (Gen. 2:15) and protect the Woman against her own Serpentine nature (Gen. 3:6) which was rebellious towards himself.

Nevertheless, Adam, blinded by the Serpent's witchcraft, did not discern the pseudo-male Serpent turning the Woman towards her evil side (Song 5:4-7), nor did he recognize that the Primordial Serpent had veiled herself with the illusion that she was Jehovah (2 Cor. 11:14).

It is not clear in the Authorized Version, but 1 Tim. 2:14 says that the woman was wholly overcome [she did not stand a chance because she was overtaken by her own evil side], but Adam was tricked [he would have surely resisted an ungodly connection with the Serpent had he not been blinded].

Illusion is a form of witchcraft which confuses our perception of reality. Adam did not discern the Serpent's true identity, but believed that she was Jehovah.

The illusion of the Serpent's immortal timeline, a dimension which is disconnected from the Jehovah's eternal realm, alters the reality that this world is hell, and that mortal humanity is a beast engraved with the Serpent's nature. We must die to our present lifestyle (Ps. 116:15) if we are to ascend into the life of Christ Jesus, which is above, but the Serpent's illusion delays the exposure and ultimate destruction of our sin nature.

The Serpent's dimension is an immortal timeline which is disconnected from the eternal realm of God, and her lifestyle is spirituality disconnected from Christ Jesus. Wherefore, the powers and principalities created by the Serpent shall cease to exist when Christ Jesus withdraws His breath of life from the Serpent's timeline at the end of this present age, which will roll up like a scroll and fade away.

¹ Adam was raised from the dead in the person of Jesus of Nazareth, and is appearing to the world today as the glorified Jesus Christ.

Righteousness Vs. Goodness

Christ Jesus is the true immortality (1 Tim. 6:16), but the Serpent has convinced the bewitched ones that they are Christ. Wherefore, when Christ Jesus comes to deliver them, they perceive the Spirit of Christ to be Satan [2 Cor.4:4], and fight against Him.

How can this be? you ask. The answer is that Adam and the Woman/Serpent are made from the same spiritual semen. Adam is formed from the seed of Elohim, Jehovah's spiritual seminal fluid, and the Woman/Serpent is made from the water of the same seminal fluid. Jehovah fully equipped Adam to discern between his righteous self and his other, female side, and Adam can, indeed, distinguish between the two -- except when he is blinded by the Serpent's witchcraft. So we see that Adam could not distinguish between **righteous** Elohim, and the **good** side of the Tree Of The Knowledge Of Good & Evil, because of the Serpent's witchcraft.

The Evil Serpent Seduces The Good Woman (Her Other Side) (Spiritual Incest)

The Serpent seduced the Woman to separate in her thoughts (Gen. 3:6) from Adam, the male seed which would have birthed a civilized, spiritual man in the womb of her earth (Is.62:4), and divided the conscious clay which was formed from the waters of Elohim, Jehovah's spiritual semen, into a female animal and a pseudo-male mind which lacks Elohim's virile seed. Wherefore, since Leviathan cannot generate a living civilized man, Jehovah calls him **a Eunuch**.

And this is how the Primordial Serpent formed Elohim's breath of life into a wild female animal with a criminal nature. But the physical bodies we live in today didn't appear in the Earth until approximately five generations after Shem, Ham and Japheth.

No Male Or Female

There is no male or female in Christ Jesus (Gal. 3:28) means that Christ Jesus manifests his spiritual male authority through female, as well as male, physical bodies. Physical females and physical males are equally eligible to have the spiritually male Mind of Christ formed in them. ***It is a misunderstanding of the Scripture to think that we are to submit to physical gender.*** We are to submit to the male mind of Christ Jesus, wherever He is appearing.

Adam's Moral Arrangement

Adam, the righteous male mind of the whole living beast, is designated to rule over his [spiritually] female side, which has an evil, antagonistic potential towards his headship. The moral arrangement of their parts, therefore, shall be susceptible to violent change until Adam is perfected.

Adam, Elohim's righteous seed can be overthrown, but Adam, the perfected man, shall never be cast down (1 Cor. 15:45).

Adam knew that his other, female side had the potential to reverse the moral arrangement of their parts and incarnate as a female animal with a pseudo-male mind. But Adam was, nevertheless, tricked into spiritual intercourse with the Serpent, because he couldn't distinguish between his righteous and evil self. Adam thought that his evil self was another person, which illusion made him receptive to the Serpent's suggestion that she was Jehovah.

Now, Adam knew that he was the male mind of the whole living creature, that he was fully armed and capable of dominating his spiritually female, evil side, and that Jehovah was withdrawing to give him the opportunity to hold the righteous moral arrangement of his parts together in his own strength. But Adam had no idea how difficult it would be to distinguish between spirit and earth without Jehovah's help. Now, this might sound strange to you, brethren, but the truth of the matter is, that even with the help of the Lord Jesus Christ, very few can tell the difference between the Mind of Christ [spirit] and their carnal mind [earth].

Adam knew how to prevent his female side from overthrowing the morally upright arrangement of his parts because Jehovah had adequately instructed him, but Adam had never *experienced* evil. Theory without experience did not prepare Adam to recognize the Serpent's witchcraft, or to overcome her seduction. Wherefore, Adam was tricked into engaging in an immoral relationship with his earthen side (Song 5:4).

Perfection Through Union With Christ Jesus (The Serpent Completes Us With Experiences)

Now, some say that Jehovah knew that Adam would fail to perceive the Serpent's seduction and, therefore, preordained his fall. But this is not so. Adam knew that He would be perfected *through spiritual union with Jehovah* (1 Cor. 6:17), and that *blind obedience to the Law would defend him against the Serpent's witchcraft until that time*.

Adam knew that the Serpent would disguise herself as Jehovah. (2 Cor. 11:14) and suggest that he should be perfected by experience, rather than marriage. He knew that the Serpent would try to seduce the Woman and trick him into a perverse relationship with herself. But all of Adam's knowledge did not equip him to recognize and resist the Serpent's witchcraft.

The Serpent, Adam's other, evil side, knew that if she could trick Adam into seeking perfection through experiences (1 Tim 2:14), that Adam's disobedience would evoke Jehovah's righteous sowing and reaping judgment. The Serpent also knew that she would be the executor of that righteous, universal Wrath in the form of Satan (Rev. 12:9), but she couldn't break Adam's resolve to obey Jehovah.

Now I'm persuaded, brethren, that Jehovah's commandment is adequate to defend Adam until the marriage, but the Serpent used illusion to trick Adam into thinking that Jehovah had changed the ground rules.

And this is how Satan became the author of all of the evil experiences known to mortal man.

Jehovah never preordained that Adam should fall. On the contrary, if Jehovah had not sent the Lord Jesus Christ to restore us

to the eternal world above, we would be trapped in this fallen world of disease and death forever.

Jehovah's commandment was *Adam's defense*, but *the Serpent's illusion* seduced the Woman, blinded Adam's memory of *the Law*, and changed Adam's mind about how he was to be perfected. And, so, Adam was overturned.

Adam's failure to recognize the evil within himself resulted in the overturning of the [temporary] righteous, but unstable, moral order of Adam's spiritual parts, and their reorganization and solidification into a permanent, corruptible wild animal with a sin nature. Wherefore, to this day, Adam is known as *the man who married himself* [instead of Jehovah].

And, so, Adam died to his immortality, and we, his descendants, were sold to Satan and cast down into hell (1 Peter 3:19), which is this present visible, physical world.

Adam Can Die Only Once And Then The Judgment Seat Of Christ

And so it is written, *and as it is appointed unto men once to die, but after this the judgment* (Heb 9:27) *so that he should still live for ever, and not see corruption* (Ps 49:9).

So the living creature was born as a mortal wild animal with the Serpent's nature, but Christ Jesus [the resurrected Adam], the renewed, [permanent] righteous mind of the wild animal [mortal humanity], shall rise within her to expose Adam's evil side. And Christ Jesus [the resurrected Adam] shall destroy mortal man's animal nature, restore him to the righteous moral order, and rebirth the spirit of the carnal mind (Eph. 4:3) as a whole new creature in Jehovah's image (Eph. 4:23).

Adam has already risen from the dead and overcome his female side in the man, Jesus, and now we, the rest of humanity, have the

opportunity to appropriate Christ Jesus' overcoming strength to escape from our own sin nature.

The sacrifice of Jesus, the Christ, generates the spiritual strength to reclaim Adam's righteous nature, but does not automatically restore it. The Holy Spirit is the beginning of Jehovah's provision to deliver us from hell and death, but Christ, our hope of glorification, must be formed in us (Gal. 4:19) and defeat our sin nature. Can you hear the fine line? Can you hear the difference?

Wherefore, since it is written that Adam can die only once (Heb. 9:27), Adam shall be perfected even if he is in hell at the appointed time (Amos 9:2).

Two Judgments

There are *two judgments that kill the sin nature*. The first is *Jehovah's Wrath*, the righteous, universal, sowing and reaping judgment, and the second is *Jehovah's Mercy*, the renewed mind that sows the righteous seeds of eternal life (1 Tim. 1:9).

Both of these two *completely different* judgments arise out of Jehovah's love for mankind. Jehovah's Wrath curtails the evil in the world, and Jehovah's Mercy delivers us from the powers of this world, which is hell and death.

Christ Jesus, Jehovah's Mercy to mortal man, executes *The White Throne Judgment* (1 Pet. 4:12) which restores Adam [the righteous mind who died because of sin]. Adam then kills the carnal mind and saves the personality [soul] from hell and death.

Satan, Jehovah's Wrath, executes the sowing and reaping judgment (Job 4:8) which kills the carnal mind and destroys the personality [soul] as well.

Satan, the mad dog that blindly seeks out and destroys spiritual elements which oppose the mind of God (Num 32:23), has the legal right to inflict us, or our descendants, with all of the same insensitivity, unkindness and evil that we sow towards other men. Satan initiates [sows] individual and family-line sin (Jn. 14:30), and then punishes that sin with torment and pain.

We must die to our mortal foundation to attain to eternal life, but

even if we were strong enough to destroy our carnal mind [which we are not], we would be mindless without her, and our body would die also.

Wherefore, Jehovah sent the Lord Jesus Christ to plant His righteous, immortal foundation (1 Cor. 3:11) in us. Christ Jesus will sustain our life as the carnal mind is destroyed, and preserve our personality [soul].

But if we cannot tell the difference between Satan, who judges and destroys the personality as well as the carnal mind, and the Spirit of Christ, who raises Christ Jesus [Adam] from the dead and saves the personality, we [the personality] will surely align ourselves with Satan because of our carnal mind (Matt. 12:30).

Jehovah's Wrath

Jehovah's Wrath, the pure brute force that causes car accidents, and plane crashes, or robs your finances, is neither God's punishment, nor Satan manifesting as an unfair judge. Satan is the administrator of Jehovah's righteous sowing and reaping judgment.

Every evil experience is a reaping of the ungodly thoughts, attitudes and behavior that either we or our ancestors have sown. Wherefore, Jehovah's sowing and reaping judgment which is executed by the Evil One (1 Cor 15:55-56), *is a righteous response* to sin (Ex. 21:23-25).

The pain that mortal man experiences in this world system is neither Jehovah's test, nor Jehovah's method of developing mortal man. It is Jehovah's *righteous judgment upon mortal man's fallen mind*, which is the dead fruit of Adam's calamitous, perverse interaction with the Primordial Serpent, his other, evil self.

Satan, mortal man's unconscious mind, is our own evil self (Num. 32:23), who is programmed to judge [identify] and destroy the sin nature that we inherited from Adam (Num. 32:32, Heb. 2:2). But Satan cannot distinguish between the sin nature [carnal mind] and the personality [the Woman/soul], so she afflicts them both and eventually the whole man dies.

Christians can be turned over to Satan's judgment in specific areas of their life (1 Tim. 1:20), but confession and repentance call forth the Judgment Seat of Christ, Jehovah's mercy, which swallows up Jehovah's Wrath.

JEHOVAH'S WRATH, which is executed by Satan, is Jehovah's righteous sowing and reaping judgment.

The Judgment Seat of Christ

The personality and the fallen mind [sin nature] of mortal man are the present day expression of Adam's female side. The personality is the Woman [the good part], and our sin nature [carnal mind] is the pseudo-male Serpent [the evil part], of Adam's female side, and the two are one whole fallen man. Christ Jesus, the only one who can expose mortal man's sin nature [carnal mind] as the very same evil self that overturned Adam in the beginning, is also the only one who can separate the personality [Woman/soul] from her carnal mind.

Humanity is dying because of sin, but Christ Jesus, the mediator of the Judgment Seat of Christ, is rising from the dead in the individual to identify, restrain and kill the sin nature [carnal mind], and mature the whole New Man [the resurrected Adam and the personality], from the temporary **righteous, but unstable**, arrangement of Adam's spiritual parts, into a permanent, incorruptible man, who will deliver the personality [Woman/soul] from hell and death.

The Judgment Seat of Christ that is within us does not develop what is already perfect, nor is it a test to prove whether or not we deserve eternal life. The Judgment Seat of Christ stirs up the sin nature, which then tries to kill the resurrected Christ.

But this time Christ Jesus [the resurrected Adam] shall recognize the great Dragon, that old Serpent, who is appearing in this present age as Satan, the unconscious mind of mortal man, and the Devil [our Old Man], and He shall kill Satan, and deliver the personality [Woman/soul] from Satan's grasp, because of the strength of the glorified Jesus Christ.

THE JUDGMENT SEAT OF CHRIST, Jehovah's mercy, instructs the personality [Woman/soul] in righteousness, strengthens her to prefer Christ Jesus over her carnal mind and, in this manner,

saves her from the evil mind which has been possessing her since the Primordial Serpent murdered Adam.

The Judgment Seat of Christ Cancels Jehovah's Wrath

Jehovah has recalled His judgment unto destruction, but Satan continues to faithfully execute Jehovah's **Righteous Wrath** upon those who have not subjected themselves to the merciful Judgment Seat of Christ.

Jehovah's Wrath, the reaping and sowing judgment, destroys the whole man, but the Judgment Seat of Christ, Jehovah's Mercy, saves the sinner [personality/Woman/soul]. The evil we experience down here in hell is the fruit of ancestral and personal sin, but the Judgment Seat of Christ forms the righteous mind of the Lord Jesus Christ in those of us who acknowledge that sin, and repent.

But where sin in the mind, attitudes and emotions are not confessed, Satan faithfully executes Jehovah's reaping and sowing judgment unto death. So, those who refuse to submit to the Judgment Seat of Christ which exposes the operation of specific sin in their attitudes, mind and personality, continue to be subject to Jehovah's Wrath.

Wherefore, let us resist the lie that we are already perfect but merely need to be developed, which subjects us to Satan's destructive execution of Jehovah's Wrath, and deprives us of the merciful Judgment Seat of Christ. Rather, let us choose Christ Jesus, who will destroy our imperfect sin nature, restore us to righteousness, and marry us to our true husband, the Lord Jesus Christ.

Jehovah's Wrath kills the Serpent's sin nature [carnal mind] and destroys the personality [the Woman/soul] as well, but the Judgment Seat of Christ strengthens the repentant personality [the Woman/soul] to resist and overcome her sin nature, and the personality [the Woman/soul] is saved.

Accountability

Who shall answer for mortal man's predicament? Who shall be indicted? Who shall lead us out of hell and death?

Honest men everywhere must face the reality that to declare oneself innocent is to allude to the other party's guilt. Crisis demands a responsible party.

Someone must be responsible for the conditions in our world. *Someone* must be responsible for death. *Someone* must be responsible for the pain and torment of this present hellish existence. *Someone* must answer for the evil, the wickedness, the endless cycle of births and deaths.

Wherefore, many teach today that God has subjected mortal man to the evils of this present world to develop a sin nature which we have done nothing to deserve. God, they say, is responsible for humanity's evil predicament

Indeed, Jehovah has subjected mortal man to the evils of this world, but His motives for doing so have been misrepresented by many. To say that Jehovah subjects us to evil experiences, without also saying that Jehovah's reaping and sowing judgment is *a righteous response to mortal man's sin nature*, is lying by omission.

We are saved by spiritual union with the Lord, Jesus, brethren (1 Cor. 6:17), not by doctrine, but we need the true doctrine to understand our part in God's plan to deliver us from the hell of this world system.

Now I don't know about you brethren, but if I believed that my painful life was the mere outworking of Jehovah's plan to mature me, and had nothing whatsoever to do with *my* sin, I would be very inclined to think that God is unrighteous.

But, by the grace of God, I know that all painful and destructive experiences are the fruit of sin: My sin, my parent's sin, my ancestors' sin, and my original ancestor, Adam's, sin, all of which has resulted in my need for Jehovah's corrective judgment, which is regenerating (Matt. 19:28) Christ Jesus [the resurrected Adam], my righteous mind.

A righteous mind is the answer to all of our problems, brethren, because our fallen, unrighteous mind is *the only problem we have*.

To say that God is tormenting untested, mortal man for his own

good, is an unreasonable rationale. Jehovah has not ordained every painful experience in this world to test and develop us. Neither does He personally devise our day-to-day trials. Satan, the unconscious mind of mortal man who repays the sinful thoughts of the carnal mind, in kind, is the author of all of the confusion [disturbances] in this world system.(1 Cor. 14:33).

Evil Vs. Doing Evil

God is good (Mk. 10:18). The Primordial Serpent is the Evil One who does evil. Jehovah created the Evil One and placed her in submission to Adam, who was to prevent her from *doing* evil (Gen.2:15), but Adam fell prey to the Serpent's witchcraft, and we were sold to Satan. Can you hear the difference? Jehovah created the evil, but does not desire or ordain the *evil deeds* of the Evil One.

God does not dream up evil for the Evil One to do. The Serpent is, and shall continue to be, the author of all of mortal man's *evil experiences*, until Christ Jesus [the resurrected Adam], her true husband, rises from the dead and, once again, restrains her from *doing evil*.

The carnal mind of mortal man is responsible for his own evil experiences.

It is a lie that mortal man is already in the image of Jehovah, or already perfect, and that Jehovah supplies painful, undeserved trials, to develop us into sons of God. To believe such a lie is to tell the miserable and tormented of this world that their sin nature has nothing to do with their suffering. It is just God's way of making a man out of them.

No, brethren, the Lord, Jesus, doesn't torture and torment us, rip our emotions apart, arrange for us to be incested, raped, cut up, skinned alive, drawn and quartered and tarred and feathered, so that we can become strong overcomers.

To say that mortal man is, and always has been righteous, denies that we lack Christ Jesus, Elohim's righteous mind, and that the restorative Judgment which Christ Jesus mediates is the only way out of hell.

It is the sin of pride to say that God deliberately built sinful inclinations into mortal man, and then subjected him to the pain, suffering and hellish conditions of this world to develop and mature his overcoming potential.

It is true that Jehovah created the evil as well as the good, and is, indeed, responsible for the *ultimate outcome* of His creation, but Jehovah is not responsible for Satan's evil deeds.

Satan, the God of this fallen world, is, indeed, the administrator of Jehovah's spiritual law of sowing and reaping. ***It is Satan's job to respond in kind to EVERY EVIL THOUGHT, EMOTION AND DEED THAT MAN SOWS.***

It is true that humanity is being perfected, but not by the tragic circumstances and experiences which we were subjected to when we fell into the spiritual world below. The Lord, Jesus, does not ordain a plane crash, broken leg, or financial crisis, to correct us, brethren. He convinces us of what we did wrong and instructs us as to the righteous alternative. In other words, Christ Jesus' correction prepares us to choose righteousness and reject sin in future trials.

Doctrinal Mind Control Is Spiritual Abuse

On the other hand, to say that mortal man is innocent and that the creator is also innocent -- because *His motive* for subjecting a perfect creation to the evils of this present world is to strengthen and develop us -- is a classic example of mental and spiritual abuse.

Abusive husbands, parents and caretakers justify the sexual, physical and emotional abuse of their wives, children and other dependants, saying, *I'm doing this because I love you. It's for your own good.* But the truth is that alternating cycles of affection and emotional and physical abuse confuse the victim and tighten the abuser's grip.

Doctrinal Mind Control which deliberately confuses *righteousness* with *good & evil*, is as abusive as physical and emotional punishment.

Doctrinal Mind control is spiritual abuse which is designed to perplex the believer and deprive him of the Judgment Seat of Christ, the

only true path to the eternal world above.

The bottom line, brethren, is that the pride of man desires righteousness, but refuses to be responsible for the consequences of his own sin nature.

The Other Mind

The good Woman became the evil Serpent who forced Elohim's virile seed into the female position of the moral arrangement (Joel 3:3) and incarnated as Satan and Leviathan, the nature and mind of mortal man. And, so, Adam, the righteous mind of Jehovah's living, civilized man, died, and Jehovah's living beast became the [spiritual] wild animal which is appearing in the Earth today.

The carnal mind, the fruit of Adam's incestuous, spiritual intimacy with his own female side, is our inheritance as Adam's descendants. But righteous Adam rose from the dead in the personality of Jesus, the Christ, and spoke through Him, saying, *before Abraham was, I Am*, and in another place, *I am the resurrection*.

And, because of this, the righteous mind of the Lord Jesus Christ is being reproduced in the many members of humanity. Wherefore there are now two minds in the Earth: The Mind of Christ, and Satan and Leviathan, the carnal mind of mortal man (James 1:8).

Christ Jesus [the resurrected Adam], the righteous mind of Jehovah's civilized man, is rising from the dead in the many members of humanity to preserve [saving] the temporary personalities [souls] of this last generation. But the Serpent continues to murder the Mind of Christ up to this very day, because the Church cannot tell the difference between their evil self and Christ Jesus, their Deliverer.

So this sounds crazy to you does it? Well, you won't be laughing when you find out that you couldn't distinguish between your righteous, and your good & evil self either, and that you married Leviathan instead Christ Jesus.

The pride of our own carnal mind deceives us and kills us all the day long, brethren, but we shall be saved from eternal imprisonment by *the other, evil mind*, when we commit ourselves to Christ Jesus and turn away from the pleasures of the Serpent's world.

We cannot distinguish between the righteous Mind of Christ and Satan and Leviathan's evil mind in our own strength, brethren, because ***Satan and Leviathan are our mortal strength***. True spiritual recognition exists only through the Mind of Christ Jesus [the resurrected Adam] which is joined to the Lord, Jesus, the Glorified One who recognizes Himself wherever He is appearing in human flesh (Dan. 10:21; 1 Jn. 4:3,6).

Wherefore, we should not assume that the Word of God is engrafted to our personality because we hope for the promises of Jesus Christ, speak in tongues, or cast out demons, but should humbly request the engrafted Word (James 1:21) [or the strength to live out of Him, if He's already in us].

But be encouraged, brethren, and resist all fear, because righteousness is readily available to mortal man through the Lord Jesus Christ, who desires that we should be delivered from the Serpent's ***evil mind*** even more than we do. We are His wife, brethren, and no man has ever hated his own flesh, but nourishes and cares for it.

Nevertheless, brethren, God is the Creator, and our personality is the Woman. Wherefore, Christ Jesus resists the Woman [personality/soul] who would direct Him, if she could, and is faithfully rebuilding our righteous nature according to Jehovah's plan. Jesus Christ is the only door to true immortality (1 Tim. 6:16), wherefore all false paths must come to naught (Pro. 14:12).

So fear not all you spiritual, female descendants of Adam, the humiliated one, because the Lord Jesus Christ overcame the Serpent that seduced the Woman. And now Christ Jesus is rising from the dead in humanity's many members (1 Cor. 2:8) who are also overcoming Satan and Leviathan, this evil age, which will surely roll up like a scroll when her light goes out forever.

The Sin Nature

We are sinners because we are born with a sin nature that thinks and acts out sin, ***with or without our conscious consent***. Our sin nature is not the result of our childhood or life experiences, although abuse does cause some people to act out the sins of their unconscious mind more than others.

Adam sinned when he had a righteous mind, so his sin is far more serious than the sins of mortal man's carnal mind.

Mortal men, even those who have a relationship with Jesus Christ, have an inherited sin nature which is the fruit of Adam's spiritual marriage to his own female side. The death of the physical body is the ultimate proof that either Christ was not conceived in the personality, or was not mature enough to tread down the sin nature before the physical body died.

The sin nature dies as we confess that she is our state of being. Confession of specific sin, followed by repentance without condemnation, empowers us to overcome the evil side which expresses herself through our attitudes, emotions and behavior.

Christ, the Righteous One who covers our sin nature (1 Pet. 4:8) when He matures, does not develop ***on the other side*** after the physical body dies. The embryonic or fetal Christ dies with the physical body and personality if He does not mature in time to preserve them.

The Lord Jesus Christ cannot die, but ***Christ***, His embryonic and fetal offspring who is growing within many mortal men, can, and does die, if He is not harvested before the physical body dies (Matt. 9:37-38). The harvest is the separation of Christ from the carnal mind.

Reconciliation to Jehovah through the Lord Jesus Christ imparts forgiveness of sins (Eph. 1:7; Col. 1:14), ***by faith***, but the sin nature continues to live through her mortal host [personality and physical body] until Christ Jesus rises from the dead in the individual and treads her underneath Himself. We then ascend into the true immortality which is in Christ Jesus and escape from the hell of this fallen world. This experience is called ***perfection***. The personality [soul] is saved, and the whole man is perfected.

Mortal man's present, painful predicament is the fruit of his own

ancestral and present sin, despite the doctrine which openly declares, *without fear*, that Jehovah is developing His already perfect creation by calling forth and subjecting them to every calamity known to mortal man.

Potential To Sin Vs. Sin Nature

The spirit which denies that Adam fell, and that mortal man inherited a sin nature because of that fall, also says that mortal man is sinless, but has the potential to develop sin. This foundational error fully denies that a sin nature was birthed into Elohim's civilized man when righteous Adam failed to dominate his other, evil side. Now, when your foundational premise is faulty, brethren, self-contradiction and compromise are necessary to sustain the lie.

This doctrine imputes Adam's righteous, but changeable, moral condition *before the fall*, to fallen, mortal man. ***Adam was sinless, with the potential to sin, but mortal man is already a sinner WHO HAS NO POTENTIAL FOR RIGHTEOUSNESS.*** That's why we need a saviour: to impart righteousness to us (Rom. 5:21).

It is a contradiction to say that perfect mortal man still has a few small things wrong with him [such as stubbornness and other minor deficiencies] which require testing, pruning and training. Mortal man isn't evil, you see, neither is he a sinner, nor does he need to repent of specific sin in his personality because he's already perfect -- but he isn't perfect yet.

The belief that mortal man was created perfect but still requires training and discipline to develop him, is a contradiction of terms, because *perfection*, by its own definition, means *to be lacking nothing*.

Specific Sin

The Judgment Seat of Christ, Jehovah's corrective judgment, exposes sinful thoughts and attitudes which they are still in the unconscious and subconscious mind, and mercifully circumvents Satan's execution of Jehovah's righteous sowing and reaping judgment.

Christ Jesus is the mediator of Jehovah's merciful Judgment Seat of Christ, which exposes specific sin in thought patterns, attitudes,

words and behavior, *before* they generate painful and destructive experiences.

Not many will point out the hidden motives of your heart, saying, ***look, what you just said is sin in your mind. But I understand that you didn't recognize it as sin, so let me show you how to deal with your ungodly motives.*** Most people will either ignore you, or retaliate, but the Judgment Seat of Christ can improve relationships and, in general, change lives for the better

We cannot truly repent until we fully understand that our sin nature manifests as hidden motives of the heart and mind which eventually express themselves as thoughts, words and deeds.

Imputed Vs. Imparted Righteousness

Adam had no sin, *but was capable of sin*. His righteousness was a gift to be enjoyed until he was strong enough to be righteous in his own strength.

Mortal man has an inherited sin nature which *sins continuously*, yet he is considered righteous *because of the faith of Jesus Christ*.

No one is righteous in their own right. Both Adam in the beginning, and mortal man in this present world, are recipients of the gift of ***imputed righteousness***.

Both Adam and mortal man reap what they sow, and both he and we [every individual member of humanity] ***shall be tested to determine whether or not we can abide in righteousness in our own strength.*** This is called ***imparted righteousness***.

Righteousness by faith or ***imputed righteousness***, means that the Judgment Seat of Christ overshadows Jehovah's Wrath [righteous sowing and reaping judgment] for a season, so that we, the personality, can have the opportunity to overcome our carnal mind and separate from her. But those of us who are still joined to our sin nature by the end of this Season of Grace [those of us who have failed to separate from our carnal mind and dominate her], shall, once again, be subject to Jehovah's Wrath, which destroys mortal man's personality [soul], as well as his sin nature.

Wherefore, the personalities [souls] who continue to be dominated

by their carnal mind shall perish, but the personalities [souls] who marry Christ Jesus, their new man, shall ascend into the age that has no end (Eph. 3:21), and flow together with the Lord Jesus Christ in the eternal timeline.

Adam's Test

In the beginning Adam was good because Jehovah restrained his potential to sin (Gen. 1:31), but Adam would not be perfect until he learned to restrain his other, evil side, without Jehovah's assistance. So, Jehovah withdrew from Adam to see whether or not he could distinguish between his good and evil sides, and Adam died. But Adam's death merely postponed the test until Adam could be raised from the dead in his descendants. ***ADAM'S DEATH DID NOT END THE TEST!***

Adam's test was radically different than the tests that we experience as mortal men. Jehovah restrained *sinless* Adam's *potential to sin*, and *then withdrew* to see if Adam would continue to dominate his unrighteous *potential*. But Christ Jesus rises within the *unrestrained sin nature* of Adam's descendants, and begins to harness it.

The Holy Spirit is the gift of God (Rom. 5:15), but He *is not Christ Jesus*, the only one equipped to kill our sin nature (1 Tim. 2:5). Christ Jesus [the resurrected Adam] must ascend in the individual and swallow up Satan, or we shall continue to be subject to Jehovah's Wrath (2 Cor. 13:5).

Wherefore, since it is written that righteousness shall swallow up death (1 Cor. 15:54-55), the spiritual strength of Christ Jesus [the resurrected Adam] shall surely overcome our evil side when he rises from the dead in us.

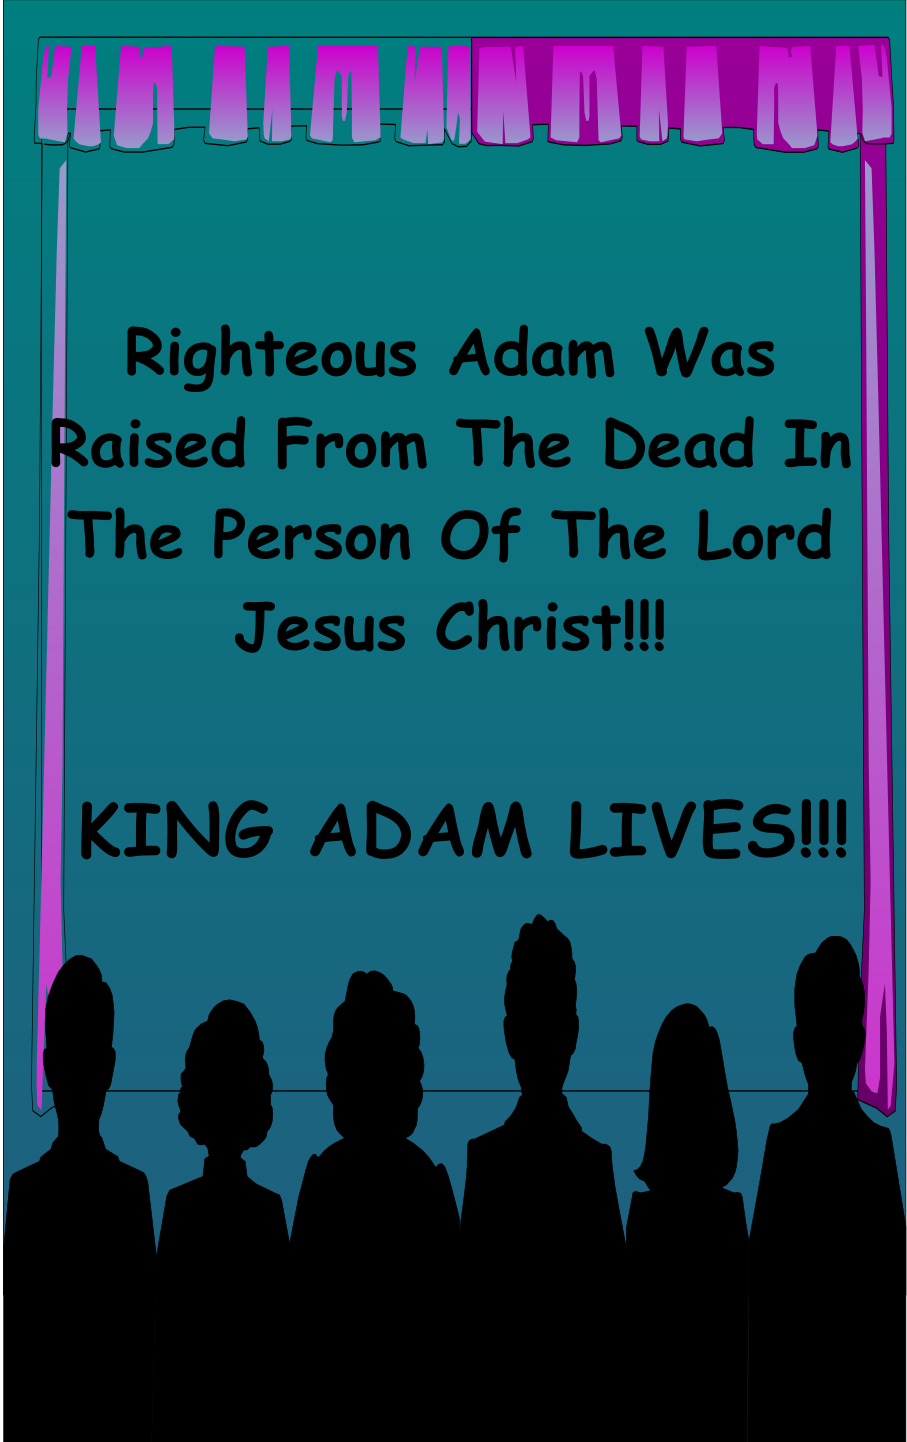

The Spiritual Passover

Jehovah will never withdraw His righteous sowing and reaping judgment. He who kills must be killed (Rev. 13:10). According to this righteous law, the carnal mind generated by the Primordial Serpent [who was a murderer from the beginning] must die, and the personality and physical body that she is married to will die with her. We, the personalities', only hope of escaping from this righteous judgment, is to separate from our criminal mind.

Wherefore, the merciful Jehovah has commissioned the Lord Jesus Christ to reproduce His righteous mind in us, so that we, the personality [soul], can survive the destruction of the carnal mind which is about to take place.

Many are preaching today that the next event on the spiritual calendar is the Feast of Tabernacles, but this is not true. The next event is the Spiritual Passover in the individual.

At the appointed time, Christ Jesus shall execute Jehovah's vengeance upon the Primordial Serpent by slaying Satan and Leviathan, mortal man's carnal mind, and only those who are living out of Christ Jesus, their New Man, shall survive. Everyone who is still living out of their Old Man, the Devil, shall cease to exist, because the carnal mind, the first born of Mother Earth, shall be no more (Rev. 18:21).
